

Resume rewrite sample

FICTIONAL EXAMPLE

A clear before-and-after example using the same fictional facts. No client information or invented achievements are shown.

BEFORE

A. Sample Candidate

Career objective

Seeking a challenging role where I can use my skills and grow with the organisation.

Experience

Customer Support Executive

Example Retail | 2022-present

- Handled customer queries by email and phone.
- Updated tickets in the CRM.
- Prepared weekly issue summaries.
- Helped train new joiners.

AFTER

A. SAMPLE CANDIDATE

Customer Support Executive | Email and Phone Support | CRM Case Tracking

PROFILE

Customer support professional who responds to retail customers by email and phone, maintains CRM ticket records, prepares weekly issue summaries and helps train new joiners.

EXPERIENCE

Customer Support Executive

Example Retail | 2022-present

- Respond to customer questions through email and phone support.
- Record and update customer tickets in the CRM.
- Prepare weekly issue summaries for team review.
- Help new joiners learn the support workflow.

What improved

- The headline immediately identifies the role and the work performed.
- A generic objective became a concise profile grounded in the original facts.
- Tasks are organised for scanning, with no unsupported metrics or qualifications added.

For a real client

Specific figures, tools and achievements are added only after the client confirms them. We never infer or invent them from a job title.
